

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

I am dumbfounded that you are still going to force your stations to do this after such an upswell or objection from so many citizens alarmed with the illegal actions you are planning to undertake at the cost to so many affiliates and their employees and our country's FCC laws and mandates.

Please stop this outrageous plan and resume a responsible behavior as owner/chair of all these stations.  
Thank you, MB in SF
